Benefits of Working with JPT

- Find solutions based on your family's strengths and culture
- Remain Positive
- Ensure Child & Family Voice and Choice
- No Blaming and No Shaming
- Family designs their own plan
- Family selects a team of professional and natural supports

JPT Workforce

The JPT Workforce includes a Coach, Facilitator, Family Support Partner, and Youth Support Partners. JPT Facilitators act as nonjudgmental organizers of family planning meetings, coordinating services and gathering information to address the family's needs. Family Support Partners assist the entire family during the high fidelity wraparound process, while Youth Support Partners provide support specifically for youth throughout the process.
