

LIFE Project

Who we are

The LIFE Project is a specialized service coordination program serving Allegheny County's most vulnerable child and adolescent populations in the least restrictive environments.

Who is eligible?

Youth between the ages of 3 and 21 years residing in Allegheny County and in need of specialized behavioral health treatment.

To make a referral:

Ashley Diulus
LIFE Project
Supervisor
(412)639-1917
adiulus@hsao.org

What does LIFE project do?

Assess needs and strengths to develop a comprehensive service plan

Identify, implement, and monitor behavioral health services

Identify and assist children and families in accessing community resources

Advocate to resolve educational and judicial barriers

Assist families in accessing appropriate insurance coverage

Utilize a multi-system approach
